The Ministry for the Environment has retired its Bioethics Council website at <http://www.bioethics.org.nz/>.

The site was run independently by the Bioethics Council. After the Council was disestablished on 11 March 2009, content moved to this website and the National Library archive.

All content has been removed except for the following resources.

- [Bioethics resources and links](#)
- [Deepening Democracy: New Initiatives in Public Participation](#)

Site archives, sometimes called "harvests", are available on the **National Library website**.
