COVID-19 PPE: NZ Manufacturers

The aim of this page is to provide information about New Zealand manufacturers who can produce personal protective equipment (PPE) related to COVID-19.

To view government information for essential workers in health and non-health workplaces on using personal protective equipment [click here](https://www.health.govt.nz/our-work/diseases-and-conditions/covid-19-novel-coronavirus/covid-19-novel-coronavirus-information-specific-audiences/covid-19-personal-protective-equipment-essential-workers) (https://www.health.govt.nz/our-work/diseases-and-conditions/covid-19-novel-coronavirus/covid-19-novel-coronavirus-information-specific-audiences/covid-19-personal-protective-equipment-essential-workers).

Please note this list has been created through businesses opting in. It is up to the individual to do their due diligence before ordering or engaging with the companies listed.

[Register on the PPE list here](https://r17.typeform.com/to/LX0teZ)

Do you currently manufacture PPE?	Describe the product you are making?	Your name and email	Your business name	Who is this for?
Yes	Service Screens for Essential Services	Joe Bradford - joe@fiasco.co.nz	Fiasco	Essential services still operating
Yes	gowns, gloves, medical wipes - have these in stock and have connections to global supply chains	Adam Bateman - adamb@shoof.co.nz	Shoof International Limited	Essential services still operating
Yes	fabric aprons, masks or gowns	Warrick Kemp - warrick@selke.co.nz	Selke Enterprises (NZ) Ltd	Essential services still operating
Yes	We have been manufacturing Cast Shoes, Cervical Collars, Collar & Cuff, IV Straps, Knee Immobilizer, Patient Transfer Belts, Patient Wrist and Ankle Restraints, Sacra Iliac Belts and other items for use through NZ's district health boards. We can add other sewn products to our range such as gowns, bed linen, footwear cover booties, cubical drapes and any other "sewn items" that may be required for theatre use or in other areas of hospitals. We have also have a clicking press so we can offer a clicking service to other manufacturers and we have an EMF Welding machine (we weld our own Velcro straps - hook and loop together for our own products) and we also have an electric cutter which cuts rolls of Velcro and Webbing into shorter lengths so we can also offer a cutting service for this type of product.	Denise Gordon - Gordon's Medical Limited	Gordon's Medical Limited	Hospitals and practices
Yes	patient registration kiosks - they allow registration at a distance plus have a sanitizer attached to the sides	Bill Bate - bill@iview.co.nz	Iview	Places where required
