Massey COVID-19 information

Massey is operating under the Government's [COVID-19 Protection Framework](https://covid19.govt.nz/traffic-lights/covid-19-protection-framework/) (<https://covid19.govt.nz/traffic-lights/covid-19-protection-framework/>), otherwise known as the 'traffic light' system.

Vaccination requirement on campus

From 14 February 2022 anyone attending Massey campuses or undertaking in-person university activities will need to be fully vaccinated or have a valid medical exemption. For a small number of close-contact courses and activities this requirement will take effect earlier on 6 January 2022.

If you are feeling unwell

Please contact your doctor or Healthline (0800 358 5453) if you are experiencing any [respiratory illness](https://www.health.govt.nz/our-work/diseases-and-conditions/covid-19-novel-coronavirus/covid-19-information-health-professionals/case-definition-and-clinical-testing-guidelines-covid-19) (<https://www.health.govt.nz/our-work/diseases-and-conditions/covid-19-novel-coronavirus/covid-19-information-health-professionals/case-definition-and-clinical-testing-guidelines-covid-19>) (coughs, sore throat, runny nose), loss of smell and/or taste, or any flu-like symptoms such as malaise, fatigue, and/or aches in the body.

If you require wellbeing support, please [contact us](/massey/student-life/services-and-resources/health-counselling-services/health-and-wellness_home.cfm) (/massey/student-life/services-and-resources/health-counselling-services/health-and-wellness_home.cfm).

Halls students should notify duty staff if they are self-isolating. If you are identified as a close contact, or a probable or confirmed case please notify the university by emailing the health and safety team at HandS@massey.ac.nz (<mailto:HandS@massey.ac.nz?subject=>).
