It's finally here!

The People's Position is now available in hard copy — your essential 250+ page guide to the Covid Inquiry and the facts Kiwis deserve to know.

This powerful book gathers evidence, timelines, expert opinion, and public impact — all in one place — challenging the 'official' narrative and presenting the case for truth, transparency, and accountability.

🔥 Supplies are limited — grab your copy today and arm yourself with the knowledge they'd rather you didn't... [See more](#)
